12. (Unclassified - THW) LIAISON I called Dorothy Fosdick, on the staff of the Senate Governmental Affairs Permanent Subcommittee on Investigations, late in the day to say we had not received clearance for Senator Henry M. Jackson's (D., Wash.) earlier request but that we would be working over the weekend to attempt to resolve the matter. She asked that I call her at home over the weekend if we had a resolution to the problem. STAT

15. (Unclassified - RLB) LEGISLATION Received a call from Bob Carlstrom, OMB, who said OMB was preparing a reauthorization bill for the Law Enforcement Assistance Administration (LEAA). He said he would like our opinion as to whether we had any objection to including in the authorization bill the provision appearing in the original LEAA enabling legislation (section 504, P.L. 93-83) restricting assistance by the CIA. I told him I would check on this and get back to him.
